Sir,

COMMUNITY PROJECTS - SOUTH KANARA - Holding of an
Agricultural Exhibition at Karanje of Kavalmundur -
Kavalmundur - March 1954 - Expenditure - Sanction - Request.

7/6/54

An agricultural exhibition was held at Karanje in Kavalmundur Village during the Annual Temple Festival of the locality between 3-3-1954 and 5-3-1954. The exhibition was a grand success and was witnessed by a large crowd including prominent citizens and officials. Several exhibits relating to agriculture, Animal Husbandry, Public Health, Cottage industries etc. were displayed on the occasion and the cultivators were advised to adopt modern method of cultivation to increase the production.

A. Almost all exhibits required for the function were brought from distant places for which conveyance charges had to be paid. Similarly expenditure on petty items like lighting charges, hire charges for certain furniture, cost of medals presented to those who brought the best exhibits etc. had also to be met. The local villagers' committee incurred an expenditure of more than Rs.100/- while the Community Project had to incur a total expenditure of Rs.50/-. As this expenditure could not be foreseen, prior sanction of the Government could not be sought. The expenditure of Rs.50/- was met from the permanent advance for which necessary vouchers have been obtained. This was done in the emergency.

I therefore request that Government ratification may kindly be accorded for the expenditure of Rs.50/- already incurred. Instructions as to which the head under which the expenditure should be debited may also kindly be issued.

Yours faithfully,

H. Narasimha
